Incorporation Process:

Select the company name for your Company

➤ You are not be allowed to use a name which is either identical or deceptively similar to one that is already used by another company.

Choose your business structure

➤ The primary company structures incorporated are Private Limited Companies. Sometimes there are company types, specific to different countries such as the LLC or the IBC.

Select a Registered Office

➤ You must select a registered office for your company. This must be in the country of incorporation. We can provide a registered office facility for your company if required.

Select Shareholders

➤ You must select who will be the shareholders of your company.

Number of Shares

➤ The issued share capital is the number of shares you would like to make available to the shareholders in your company.

Select Directors

➤ You must decide who will be the directors of your company. Directors are the individuals who administer the affairs of the company and make all major decisions.

Accounting Year-end

 You must select the fiscal year-end of the company.

Select Accountants

 You may select the auditors or accountants of your company.

Secretarial Services

 We can also provide a company secretarial service to ensure that important statutory requirements are fulfilled for the smooth running of your company.
