## **Bahamas Companies Act Bahamas IBC Act -309**

### **CHAPTER 309 - INTERNATIONAL BUSINESS COMPANIES**

This company is registered in the Bahamas as an Offshore Company/IBC (International Business Company).

An IBC is a company that does not engage in active business or trading activities within the country it is registered. International Business Companies are a premier choice for asset protection and financial privacy since they are not required to file annual returns nor financial statements, and the name of the shareholders and Directors are not required to be disclosed under the IBC laws of Bahamas.

IBC's in Bahamas, carry the ability to transfer domicile; protect assets from expropriation or confiscation orders from foreign Governments; transfer assets to another company, trust, foundation, association or partnership; merge or consolidate with any other IBC's or foreign company in an accommodating jurisdiction.

International Business Companies are either exempt from all local taxes and income tax or are subject to very minimum tax in Bahamas. Furthermore, IBC's in Bahamas, are protected by maximum confidentiality and anonymity and can have only one subscriber and thereafter only one shareholder; have corporate directors or shareholders; re-acquire and re-issue their own shares; and no disclosure of minimum capital requirements.

IBC Laws allow IBC's to operate with the minimum of administration and so, they require that every IBC have a registered office and/or a registered agent qualified to act as such, in Bahamas. These Agents are usually accountants or attorneys that handle all of the appropriate documentation and legalities of the IBC with the Registry of Companies of Bahamas.

IBC's can perform all corporate activities except do business with Bahamas, residents, provide registered offices for Bahamas, incorporated companies, and own an interest in real estate property in Bahamas, apart from office leases.

An IBC may engage in all of the following activities, which do not constitute doing business in Bahamas:

- Make or maintain deposits with a person carrying on banking business within the Bahamas
- Make or maintain professional contact with solicitors, barristers, accountant, bookkeepers, trust companies, administration companies investment advisers or other similar persons carrying on business within the Bahamas
- Prepare or maintain books and records within the Bahamas
- Hold meetings of its directors or members in Bahamas
- Hold a lease of property for use as an office from which to communicate with members or where books and records of the company are prepared or maintained
- Hold shares, debt obligations or other securities in a company owned by any person, resident in Bahamas, or by any company incorporated under this ordinance or under the Companies Act. All information pertaining to IBC's are protected under Bahamas, laws and are not required to be disclosed except for the information available on this report.
