Belize companies are not required to file information regarding share capital, shareholders, directors or annual accounts. They may voluntarily choose to do this however, ultimately affecting the amount of information you can retrieve in the company documents.

Whilst there are limited requirements to file documents with the International Business Companies Registry. A company is required to maintain certain records and documents with its Registered Agent, as listed: Memorandum and Articles of Association; Register of Members; Register of Directors and copies of all notices and documents filed with the Registry.
